

Advanced Interview & Interrogation Training for Police & Prosecutors

Embassy Skopje's ICITAP Program conducted a five day advanced course on Interview & Interrogation Techniques utilizing body Language. The goal of the program was to enhance the abilities of Police Officers, Prosecutors and Inspectors from the Financial Police Administration to learn and successfully identify verbal and nonverbal indicators when conducting interviews or interrogations in a legally acceptable manner during a criminal investigation.

The training was held Gevgelija, Macedonia from March 4-8, 2013 with participants coming from the Ministry of Interior; Public Prosecutor's Offices in Skopje, Bitola and Stip; and the Financial Police administration from the Ministry of Finance of the Republic of Macedonia.

The first three days of the training included theory and practical training with appropriate video materials that showed actual interviews and interrogations to include role playing scenarios. Days four and five were used for hands on practical training with interviews being performed by the participants. Sessions were videoed and reviewed afterwards to evaluate analyze performance.
